

Financial Services for Suppliers

Simplify the management of your Carrefour Belgium receivables!

1. In need of your cash assets?

Your "Carrefour Belgium" credit is available **when YOU decide**.
Your financing requests are carried out immediately.

Financial Services for Suppliers enables the immediate financing of your validated and non expired invoices with Carrefour Belgium.

- This way, **you control your cash assets**.
- **You choose which invoices you finance**.
- **You** consequently **improve your solvency ratio**.
- **Your payment will be transferred the next working day after the date of your request**.

2. Need things to be clearer?

By accessing our website, you can quickly visualise your **credit potential**, which is offered at a **competitive interest rate**.
You can obtain **comprehensive and clear information** on the status of your Carrefour Belgium account (status of your invoices, rejected invoices, potential disputes).

Financial Services for Suppliers helps you to easily manage your Carrefour Belgium credit thanks to:

- on-line invoice statements;
- the possibility **of making advanced payments of validated invoices**;
- the possibility **of making payments by bank transfer**.

You can therefore save valuable time!
